I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

it have the right medication made just
for me. I am not like the next person and
neither are the ^{other} women of America. It has
relieved all my symptoms, and ~~before~~ that
was not the case from other medicines I have
used from other pharmaceutical CO.
